

**Inter**  
**SYSTEM**

Our customer offering covers  
two core areas.  
Conveyor systems and palletising.

The brain and heart for your material handling.  
[www.intersystem.se](http://www.intersystem.se)

InterSystem is a company specialising in palletisers and conveyor systems. We serve the food, pharmaceutical and chemical industries.

Manufacturing of components is outsourced to subcontractors, so that we can focus on product development, design, construction, assembly and control, as well as installation and service. Our main markets are Scandinavia, Germany, Poland, Russia, Austria, Switzerland, Benelux, Saudi Arabia, Kazakstan and Ukraine.
